ZILZIE WINES

2018 PINOT NOIR

Raspberries

Strawberries

Spice

Charming red berry fruits with a dash of spice and soft tannins.

WINEMAKING

The fruit was harvested in the cool of night to retain maximum fruit flavour. The juice was cool fermented on skins then pressed into stainless steel to optimise colour and flavour. The wine was then matured on French oak for a few months for just a hint of oak character and to add depth and complexity prior to blending and bottling.

VINTAGE

A mild spring followed by a classic warm and dry summer lead to outstanding quality across all varieties in Vintage 2018. These mild and dry conditions, whilst shaping exceptional fruit, saw a slight reduction in volume crushed than in previous years. Our vineyard and winemaking teams have worked passionately throughout Vintage 2018 to craft amazing wines with great colour, and flavour intensity that will enrich life's everyday moments.
