

2017 BULLOAK *pinot noir*

Colour: Pale red
Aroma: Spice, cherry and strawberry, with subtle sweet oak undertones
Palate: Juicy cherry, rhubarb and spice with soft tannins and a refreshing finish

Winemaking:

The fruit was harvested in the cool of night to retain maximum fruit flavour. The juice was cool fermented on skins then pressed into stainless steel to optimise colour and flavour. The wine was further matured on a light level of French oak to add depth and complexity prior to blending and bottling.

Vintage:

The wet spring followed by a mild summer lead to a later and compressed harvest for all varieties this year. Our vineyard and winemaking teams worked tirelessly during vintage 2017 to ensure all varieties were harvested at optimal flavour development, producing elegant wines with lower alcohol levels which we are sure will delight our consumers.

Food Match:

Seared duck breast, tapas or a selection of soft cheeses
