

2021 chardonnay

Colour: Pale straw with green hues

Aroma: Fresh citrus, peach and tropical aromas with subtle vanillin oak

Palate: Grapefruit and peach characters with a zesty acid finish

Winemaking

The fruit was harvested in the cool of the night to preserve freshness and quality. Individual batches were cool fermented in stainless steel, followed by lees stirring to give length and roundness to the palate. The wine was blended, stabilised and filtered prior to bottling.

Vintage

Vintage 2021 was preceded by a relatively wet spring setting the framework for good vine canopy development and yields following the dry conditions of 2019 and 2020. Fortunately, the promised rainfall of 2021 held off during the harvest period with mild conditions leading to excellent varietal expression in white varieties.
