ZILZIE WINES

2022 Moscato

Colour: Pale straw with a green hue

Aroma: Vibrant floral fresh lift with hints of muscat and spice

Palate: Fragrant rose petals & tropical summer fruits with a delicate spritz

Winemaking

The fruit was harvested in the cool of the night to preserve freshness and quality. Individual batches were cool fermented in stainless steel, this wine was only partially fermented to retain some of the natural fruit sweetness. Prior to bottling, the wine was blended, satbilised and filtered.

Vintage

The conditions leading up to the 2022 vintage were cooler and damper than average. This, combined with some windy conditions during flowering resulted in a lengthier ripening period and an extended harvest. Mild conditions at the beginning of the year brought great aromatic expression across all whites, particularly in Sauvignon Blanc, Riesling & Fiano. Some wet weather conditions followed, though still enabled the reds to yield bright fruit and varietal expression, with Merlot and Shiraz being standouts of the season.
